Prepare to be utterly amazed by the latest instalment of Charlie Small's incredible yet 100% true adventures. On his way to Jakeman's factory, Charlie is grabbed by Tristram Twitch, who sends him off on three dangerous errands. Charlie must find a pearl from the giant oyster beds of the Pangaeian Ocean, a diamond-encrusted tiara from a mummified corpse, and a gold quill from the back of the extremely rare golden porcupine of Mayapazan. AND he has to befriend his old enemy, Thrak the gorilla along the way! If he doesn't succeed, Jakeman will be fed to a man-eating barracuda - and Charlie will NEVER get back home...!

Whisked away by his old adversaries, the Perfumed Pirates of Perfidy, Charlie is put to work aboard their new galleon. Held captive and forced to raid an unsuspecting ship with the bloodthirsty crew, Charlie is sure things can't get much worse... Until the pirates spot an enormous blunt-headed, sharp-toothed whale. A terrible battle ensues as the pirates try to harpoon the beast and Charlie tries his best to stop them. Will Charlie and the whale escape from the evil pirate crew's clutches? And, more importantly, will Charlie Small EVER find his

way home?

FIRST PUBLISHED AS: THE PERFUMED PIRATES OF PERFIDY No one knows the full story of Charlie Small. At least, not yet. His original battered journal was found washed up on a remote, windswept shore in the north of England. This second volume was found encased in ice, high on a glacial plateau in the Himalayas. It details even more remarkable deeds and thrilling acts aboard the Betty Rae with the dastardly lady-pirates of perfidy - and a lot more besides.

ORIGINALLY PUBLISHED AS: THE DAREDEVIL DESPERADOS OF DESTINY This fourth volume of Charlie Small's journal was found by one of our editors propped behind a bottle at the back of a dusty bar in the valley where Charlie was last seen, and it's full of more adventures than ever! Having escaped the clutches of the evil Puppet Master, Charlie joins The Daredevil Desperados of Destiny, whose sole aim is to get rid of the outrageous outlaw, Horatio Ham. Charlie, aka The Lariat Kid, brings down Ham's posse of gunslingers, takes part in a daring bank raid, is caught up in a ferocious gunfight, lands up in jail, and is about to be sacrificed to The Great Bird of Death. Can Charlie possibly escape?

At the end of his fifth journal, Charlie Small rocketed out of the strange and dark

Underworld, over desert sands and a snowy white mountain range. With a table cloth over his head and a cushion strapped round his bottom, Charlie parachuted right into the middle of a small, swampy island. Clutching a mainly blank map that's supposed to help him find the infamous Jakeman, he sets off for the next island, only to find himself face to face with a slimy, stinking, roaring swamp monster . . . Will Charlie manage to slip through its gloopy claws?

In the fifth journal found by us, the lucky and smug publisher, we learn that Charlie Small has become embroiled in an underworld from his nightmares . . . Previously, Charlie had bumped into the infamous Jakeman -- but when the mad professor was dragged down into the Underworld, Charlie had to follow - otherwise, how would he discover how to get back to his mum and dad? This latest adventure takes him into an unreal darkened world, where anything is possible. But will Charlie Small ever find a way out, or will he be trapped underground forever . . . ?

Something happened to Charlie when he was just eight years old. He went on a journey - and he's been trying to get back for over four hundred years! Yippee! Charlie is finally on his way home! But first he has to tackle a horrible hairy yeti, dodge crazy tumbleweed spiders and navigate the bustling metropolis of Fortune City. And all with his
