beyond the brady bunch hope help for blended families beyond the brady bunch is a heart book not a how to book christians who find themselves in the midst of step family life often feel hopeless and far from god struggling with grief and unforgiveness Beyond The Brady Bunch Hope And Help For Blended Families

A message of hope for blended families, from a couple who have been in the trenches - and made it. Blending a family is far more messy and complicated than any television show portrays. Beyond the Brady Bunch is a heart book, not a how-to book. Christians who find themselves in the midst of step-family life often feel hopeless and far from God, struggling with grief and unforgiveness. From personal experience the authors have found that all the how-to steps in the world don't work if there isn't first a heart change. Speaking with honesty and vulnerability they share their own mistakes and how God dealt with their hearts. The book will help stretch hearts, minds and homes past the image of "perfect" and another "happily ever after" into the hope of God's promise to restore, heal and rebuild.

Remarrying couples are looking for real answers to help them build successful marriages that last a lifetime. Knowing God's plan for a biblical marriage is foundational to finding true fulfillment. This up-to-date and easy-to-use premarital guide will help individuals, couples, pastors, counselors, small groups, or premarital classes prepare for the adventure of remarriage. Couples will learn not only about each other, but also about themselves, their relational skills, and their compatibility as a couple. Sidebars from experts will discuss the spiritual, emotional, social, relational, and physical intricacies of being remarried and provide extensive resources for continued marital education and growth. Each chapter will also include a section called Plus! that deals with second-marriage challenges as well as Plus Kids! that deals with blended-family challenges.

From Bill and Pam Farrel, bestselling authors of Men Are Like Waffles--Women Are Like Spaghetti and Red-Hot Monogamy, comes a new book especially for dating and engaged couples. Filled with their trademark wisdom, humor, and insight, The Before-You-Marry Book of Questions will help couples delight in their differences plan their financial future sort through family obstacles lay a strong foundation for a marriage that goes the distance give their marriage to God With "his and hers" quizzes and ideas for dates where couples can talk openly and freely about their relationship and future, The Before-You-Marry Book of Questions is a practical and essential guide for any couple building a life together.

In celebration of the Brady Bunch's 50th anniversary, TV writer Kimberly Potts writes a Seinfeldia-like definitive history of the show that changed the family sitcom and made an indelible impact on pop culture. There isn't a person in this country who hasn't heard of The Brady Bunch. Whether it's the show they watched growing up, or the one their parents did--whether adored, or great to poke fun at--The Brady Bunch is arguably one of the most enduring and inspiring TV shows of our time. It's lived a dozen lives, from its original comedy debut and big-screen movies, to the Emmy-winning TV auteurs it has inspired--everyone from Vince Gilligan to Jill Soloway--and promises to live many more. In The Way We All Became the Brady Bunch, TV and pop culture writer Kimberly Potts will draw upon her deep knowledge of and appreciation for The Brady Bunch and television and pop culture history, as well as her contacts, connections, and experience, to provide an industry insider narrative of The Brady Bunch. With fresh interviews, The Way We All Became the Brady Bunch will examine the show's lasting effects on its audience and take readers behind-the-scenes and into the lives of our most beloved characters, all to document why The Brady Bunch was one of the most groundbreaking shows of its time--and why it remains to this day, unforgettable.

Queer Masculinities: A Critical Reader in Education is a substantial addition to the discussion of queer masculinities, of the interplay between queer masculinities and education, and to the political gender discourse as a whole. Enriching the discourse of masculinity politics, the cross-section of scholarly interrogations of the complexities and contradictions of queer masculinities in education demonstrates that any serious study of masculinity—hegemonic or otherwise—must consider the theoretical and political contributions that the concept of queer masculinity makes to a more comprehensive and nuanced understanding of masculinity itself. The essays adopt a range of approaches from empirical studies to reflective theorizing, and address themselves to three separate educational realms: the K-12 level, the collegiate level, and the level in popular culture, which could be called "cultural pedagogy". The wealth of detailed analysis includes, for example, the notion that normative expectations and projections on the part of teachers and administrators unnecessarily reinforce the values and behaviors of heteronormative masculinity, creating an institutionalized loop that disciplines masculinity. At the same time, and for this very reason, schools represent an opportunity to "provide a setting where a broader menu can be introduced and gender/sexual meanings, expressions, and experiences boys encounter can create new possibilities of what it can mean to be male". At the collegiate level chapters include analysis of what the authors call "homosexualization of heterosexual men" on the university dance floor, while the chapters of the third section, on popular culture, include a fascinating analysis of the construction of queer "counternarratives" that can be constructed watching TV shows of apparently hegemonic bent. In all, this volume's breadth and detail make it a landmark publication in the study of queer masculinities, and thus in critical masculinity studies as a whole.

Some people call me crazy. Some think I'm weird, and others believe I am out downright out of this world. Sometimes to others I make no sense, but in my heart and mind it all comes together. I am made up of a mixture of different things; some that may not necessarily mix, but live flamboyantly in me. I've had a crazy life and that should be no secret to anyone anymore. I have experienced things beyond the belief of sorrow and agony. Only I know what it is like to feel what I feel. Only I know the gravity of the experiences I have overcome. I guess it really is just how it is stated in the Bible. "God will never allow more to come to us than what we can bear," and I know I can do whatever I need to do, "through Jesus Christ, whom strengthens me." So, before you judge this book by its cover or dare to belittle my journey, walk a mile in my shoes. I hope my story inspires you with love, life and courage.

Beyond Words is a couple's true, inspirational story of faith, hope, and love in the face of terminal brain cancer. Absolutely nothing can prepare you to hear a doctor utter the unthinkable words, "You have brain cancer." Becky and Steve Schenck know this all too well. They will never forget the summer day in 2006 that abruptly changed the course of their lives. Becky, a healthy, active, vibrant woman in her fifties, was living life to the fullest. Her glioblastoma diagnosis struck without warning. The story that unfolded for the Schencks following Becky's diagnosis is nothing short of remarkable. The God in whom they believed and trusted aligned their circumstances and provided them with the people and resources that Becky needed to defy all odds. She was blessed with a decade of life beyond her prognosis. Steve left his executive banking career to become Becky's sole, full-time caregiver. The caregiving experience brought Steve joy and personal growth, in the midst of often challenging and unpredictable circumstances. Beyond Words offers inspiration and helpful insights to those who are caring for a patient with a terminal illness. Keywords: Brain Cancer, Glioblastoma, Surviving, Faith, Terminal Illness, Caregiver, Terminal Cancer, Inspiration, Cancer Resources, Clinical Trials

Therapists Linda and Charlie Bloom have been married more than 35 years. To understand what makes a happy marriage, they interviewed 29 couples who have been married more than 20 years, who seem as newlyweds--and share their findings.

For millions of people around the world, Carol Brady is synonymous with motherhood, but growing up as the youngest of ten children in rural Indiana in the aftermath of the Great Depression, Florence Henderson lived a life quite different from that of the quintessential TV mom she later played on television. Florence's father was a dirt-poor tobacco tenant farmer who was nearly fifty years old when he married Florence's twenty-five-year-old mother, and was nearly seventy when Florence was born. Florence's childhood was full of deprivation and abandonment. Her father was an alcoholic at a time when there was no rehab or help for the disease. Their home rarely had electricity or running water. When she was twelve, Florence's mother left the family to work in Cleveland and never returned. Florence opens up about her childhood, as well as the challenges she's faced as an adult, including stage fright, postpartum depression, her extramarital affairs, divorce, her hearing loss, and heart problems. She writes with honesty and wisdom of how her faith and ability to survive has brought her through rough times to a life of profound joy and purpose.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
