Five lavishly illustrated spreads, big, recessed flaps and a host of jungle animals to spot, name and mimic combine in this delightful little board book for the very young. Stories Aloud.

Can You Say It Too? Growl! Growl! - Nosy Crow Children will love spotting the animal, lifting the flap to reveal the complete creature, and then making its noise in these latest books in the Can You Say It, Too? series. Sturdy flaps and simple texts combine with friendly artwork to make fantastic first books that are great for sharing with children who are just starting to talk.

Amazon.com: Can You Say It, Too? Roar! Roar ... This is the fourth book in Nosy Crows' Can You Say It, Too? series. This series is great for little ones who love animal sounds. Also there is a big (seemingly sturdy) flap to lift for each page. All the animals are hiding, of course! Which animals can little ones find in this book? A bear! A parrot! A snake! A monkey! A tiger.

Can You Say It, Too? Growl! Growl! by Nosy Crow 'Too' is used less frequently than 'to,' so if you know what 'too' means, then you can use it just for those specific meanings. You can feel confident that when 'too' is not appropriate, 'to' is the right choice. Try stressing (emphasizing) 'too' when spoken, to help yourself assess whether it is the correct word.

How to Use "Too" and "To" Correctly: 5 Steps (with Pictures) Too is an adverb that can mean "excessively" or "also." Just to be clear: two is pronounced the same as to and too, but it can't be used instead of either of them because it's a number. In the hierarchy of things that drive grammar sticklers mad, to and too are near the top. It's very common to see them confused, abused, and misused, and not just in YouTube comments or on Reddit.

To vs. Too: How Should You Use To and Too? | Grammarly My 18-month-old daughter loves the Can You Say It, Too? lift-the-flap books by Sebastien Braun. She loves making the animal sounds. These are books she can 'read' to herself over and over. She loves lifting the flaps and has since we got the first one more than nine months ago. We were so glad when two new Can You Say It, Too? books came out.

With sturdy flaps and simple text, this is a great first book for sharing with children who are just starting to talk.

Tongue twisters abound in this classic Dr. Seuss Beginner Book! "Bed Spreaders spread spreads on beds. Bread Spreaders spread butter on breads. And that Bed Spreader better watch out how he's spreading . . . or that Bread Spreader's sure going to butter his bedding." This riotous collection weaves together a wonderment of words designed to twist the lips. Wordsmiths and beginning readers will love Oh Say Can You Say? and treasure tackling these tangled tongue teasers. Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning.

Every September 21 on the International Day of Peace, children around the world wish in many different languages for peace.

An addictive, irresistible YA novel about two teens from different worlds who fall for each other after a voter registration call turns into a long-distance romance—from Katie Cotugno, the New York Times bestselling author of 99 Days. Perfect for fans of Mary H.K. Choi, Robin Benway, and Nicola Yoon. One conversation can change everything. Meg has her entire life set up perfectly: she and her best friend, Emily, plan to head to Cornell together in the fall, and she works at a voter registration call center in her Philadelphia suburb. But everything changes when one of those calls connects her to a stranger from small-town Ohio. Colby is stuck in a rut, reeling from a family tragedy and working a dead-end job. The last thing he has time for is some privileged rich girl preaching the sanctity of the political process. So he says the worst thing he can think of and hangs up. But things don't end there... That night on the phone winds up being the first in a series of candid, sometimes heated, always surprising conversations that lead to a long-distance friendship and then—slowly—to something more. Across state lines and phone lines, Meg and Colby form a once-in-a-lifetime connection. But in the end, are they just too different to make it work? You Say It First is a propulsive, layered novel about how sometimes the person who has the least in common with us can be the one who changes us most.

Who of us cannot remember the pain and humiliation of being rejected by our classmates? However thick-skinned or immune to such assaults we may become as adults, the memory of those early exclusions is as palpable to each of us today as it is common to human experience. We remember the uncertainty of separating from our home and entering school as strangers and, more than the relief of making friends, we recall the cruel moments of our own isolation as well as those children we knew were destined to remain strangers. In this book Vivian Paley employs a unique strategy to probe the moral dimensions of the classroom. She departs from her previous work by extending her analysis to children through the fifth grade, all the while weaving remarkable fairy tale into her narrative description. Paley introduces a new rule-You can't say you can't play-to her kindergarten classroom and solicits the opinions of older children regarding the fairness of such a rule. We hear from those who are rejected as well as those who do the rejecting. One child, objecting to the rule, says, It will be fairer, but how are we going to have any fun? Another child defends the principle of classroom bosses as a more benign way of excluding the unwanted. In a brilliant twist, Paley mixes fantasy and reality, and introduces a new voice into the debate: Maggie, a magical bird, who brings lonely people to a place where a full share of the sun is rightfully theirs. Myth and morality begin to proclaim the same message and the schoolhouse will be the crucible in which the new order is tried. A struggle ensues and even the Maggie stories cannot avoid the scrutiny of this merciless pack of social philosophers who will not be easily caught in a morality tale. You Can't Say You Can't Play speaks to some of our most deeply held beliefs. Is exclusivity part of human nature? Can we legislate fairness and still nurture creativity and individuality? Can children be freed from the habit of rejection? These are some of the questions. The answers are to be found in the words of Paley's schoolchildren and in the wisdom of their teacher who respectfully listens to them.

The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more.
