Got a yearning to pick up a pen and see what you can do? Go for it! But don't sketch alone!let popular artist and teacher Claudia Nice be your guide. She'll make your first steps fun and successful! In her trademark style:friendly and encouraging!Claudia will show you how to do a sketch of a subject that actually ends up looking like the subject. And she shares her secrets for turning simple lines and dots into all kinds of lifelike textures, including leaves, glass, hair, fruit, water, clouds, wood grain, grass, fur and feathers. Easy (and fun!) exercises get you started. Step-by-step projects teach techniques as you draw trees, flowers, barns, animals and other subjects:even people! And demonstrations show you how to put all that you've learned together to create a finished picture. So go ahead!grab that pen and have fun! Just follow along with Claudia to get the hang of it, and before you know it you'll be making your own, original pen-and-ink drawings!

Pen & Ink Drawing: A Simple Guide covers the essential aspects of pen and ink drawing and more. It explores basic materials and instruments; fundamental properties of strokes and pen control; key elements of shading; and indispensable techniques for creating vibrant textures. As a bonus, a chapter is devoted to what the author refers to as, the secret Line of Balance. This book is not just written to instruct but also to inspire enthusiasts of pen and ink and drawing as well.

An inspiring sourcebook, this guide helps artists discover a wide variety of subjects and ideas. More than 140 of the author's drawings illustrate nostalgic scenes, old engravings, atmospheric effects, photographs, and landscapes.

This clear and concise guide to pen-and-ink work presents 37 step-by-step illustrations that progress from pencil sketch to ink outline to shadows and details to completed work. Written in a direct, engaging style and richly illustrated, its drawings range from easy to complex and offer guidance for artists at every level.

"An inspiring sourcebook for all skill levels, this guide helps artists discover a wide variety of subjects and ideas for their next sketch. More than 140 of the author's own drawings include partially finished details that illustrate how to achieve the desired visual effects. Stimulating topics include nostalgic scenes, old engravings, atmospheric effects, photographs, landscapes, and life itself. "-

PEN AND INK DRAWING WORKBOOK is perfect for anyone looking for a book that provides lots of practice for developing and refining ink drawing skills and technique. It is appropriate for learners on all levels and is filled with over 100 engaging drills and exercises. The exercises in this comprehensive workbook are thoughtfully designed to take you from the essential elements like pen control, line consistency, basic strokes and variations to more advanced concepts such as, blending values, controlling gradations, shading compound forms, and rendering textures. It covers all the major pen and ink shading techniques including cross-hatching, stippling, scribbling, and more. In addition, there are 30 inspiring drawing exercises on a variety of subjects, which allows you to draw right inside the book. This book is the complementary workbook for PEN AND INK DRAWING: A SIMPLE GUIDE. However, it can still be used on its own as a general workbook for refining your skills and helping you to create stunning ink drawings with confidence!

Pen & Ink combines practical instruction with inspirational artwork to awaken a new generation of pen-and-ink enthusiasts. Drawing with pen and ink has been a celebrated art form for centuries. In addition to ballpoint pen, today's pen-and-ink artists use a variety of tools, including fountain pens, graphic pens, and brushes to create photorealistic drawings. Pen & Ink, the premier title in Walter Foster's new Artistry series focusing on specialized fine-art mediums, combines practical instruction with inspirational art and photographs for a comprehensive guidebook designed to awaken a new generation of pen-and-ink enthusiasts. Professional pen-and-ink artists take readers on a creative journey through each of their distinct techniques, from learning basic pen techniques to stippling portraits and adding watercolor washes. Instructions for rendering each technique, as well as beautiful finished artwork across a variety of styles, give aspiring artists a contemporary look into working with pen and ink.

A step by step guide. A noted art author and internationally renowned illustrator demonstrate techniques and tools for students, amateurs, professional illustrators, and fine artists. - Cover.

2021 Reprint of the 1961 Edition. Copiously Illustrated. Facsimile of the original edition and not reproduced with Optical Recognition Software. Arthur L. Guptill's Drawing With Pen and Ink has been a landmark in the literature of ink technique for many years. The volume has gone through many printings and reached many thousands of students. It has been out of print for a number of years because the plates had become worn, and a sharp reprint was no longer possible. Originally published in 1928, this 1961 printing has been edited to reflect the changes in taste and interest that transpired between 1928 & 1961. A number of chapters have been combined; several, covered in other books, have been dropped; two, The Pen Combined with Other Mediums and Pen and Ink in Illustration, have been entirely rewritten; and a short concluding chapter has been added. The greater part of Arthur Guptill's explanatory drawings as well as a good many examples of work by other artists have been retained. To this has been added almost a hundred examples of newer work. In short, this is a new and updated edition of this classic work.

This resource covers all the materials and techniques of drawing with ink.very type of pen, brush, ink, drawing surface and technique is described.
