~~40+ Flowers for Algernon ideas | flowers for algernon ...~~

Lastly, Algernon is also an "object" of sentimental value for Charlie, so that he even desires to put flowers on Algernon's grave. This is an incredibly human act, and humanizes the mentally ill Charlie just as much as it attempts to personify Algernon.

The Heinemann Plays series offers contemporary drama and classic plays in durable classroom editions. Many have large casts and an equal mix of boy and girl parts. This play is a dramatization of Daniel Keyes's story about a retarded adult who desperately wants to be able to read and write.

Mentally retarded Charlie Gordon participates in an experiment which turns him into a genius but only temporarily.

Activities to be used in the classroom to accompany the reading of Flowers for Algernon by Daniel Keyes.

The Unavoidable Hierarchy provides an analysis of why, in virtually every organization, members advance or decline in standing for reasons that have little or nothing to do with their merit. Michael Hatfield explains how this dynamic can be observed and analyzed, and insights gleaned from the analysis. With organizations struggling to meet the aspirations of their employees; ill-equipped or patently inappropriate individuals failing in executive posts and need for businesses to be at the top of their game, The Unavoidable Hierarchy is a timely and important book for all managers, particularly those concerned with the human dynamics of the business. Michael Hatfield draws on advancements in Game Theory, Network Theory, Organizational Behavior and Performance Management concepts to capture and evaluate the (previously unarticulated) influencing factors behind the game of corporate snakes and ladders. The resulting analysis will help you identify how these factors manifest as strategies and tactics within the organization, meaning that effective countermeasures can be derived from such an analysis. Whilst these factors are likely to remain ubiquitous, the author's focus includes ideas and strategies for mitigating their impact and making changes at the level of both the individual and the organization.
