Edition

aspects of Health
Economics, teaching
through core economic
themes, rather than
concepts unique to the
health care economy.
The Eighth Edition of
this key textbook has
been revised and
updated throughout, and
reflects changes since
the implementation of
the Affordable Care Act
(ACA). In addition to its

Get Free Managerial

revised treatment of health insurance, the text also introduces the key literature on social capital as it applies to individual and public health, as well as looking at public health initiatives relating to population health and economic equity, and comparing numerous policies across Western countries, China, and

Get Free Managerial

the developing world. It provides up-to-date discussions on current issues, as well as a comprehensive bibliography with over 1,100 references. Extra material and teaching resources are now also available through the brand new companion website, which provides full sets of discussion questions, exercises,
