Return to a world of opulence and seduction with the second serial installment of *CASTAWAY*, the continuation of the New York Times bestselling miniseries *ANYTHING HE WANTS!* When enigmatic billionaire Jeremiah Hamilton first seduced Lucy Delacourt, he swept her out of her ordinary life and into the extravagant world of the rich and powerful. There she experienced the highest highs, dangerous lows, and unimaginable passion...until it all came crashing down. Now Lucy and Jeremiah are finally reunited, but her homecoming isn't at all what she expected. Jeremiah is determined to protect her no matter what the cost while Lucy struggles to come to grips with the decisions she made in his absence. Will she be the woman who finally tears two brothers apart forever? And can Lucy bear to live with the consequences of her actions?

Some Christians believe strongly in the existence of demons and spiritual warfare. Others downplay or even ignore the idea. With such divergent views, how are Christians supposed to know the truth about demonic forces at work in this world? *The Invisible War* examines what every believer needs to know about Satan, demons, and spiritual warfare, offering a balanced look at this controversial subject. This provocative book will help Christians understand what the Bible says about these threats and will show them how they can safeguard themselves and their families through prayer. Now repackaged for a new generation, *The Invisible War* offers a

balanced look at what is going on in the spiritual realm and what believers can do to defend themselves.

David Yonggi Cho, founder and pastor of Yoido Full Gospel Church in Seoul, Korea details his working relationship with the Holy Spirit whom he calls his "senior partner" in ministry.

Oba Ovonramwen's efforts to control a growing rebellion within his kingdom and reasserting the authority of Benin over surrounding lands are further complicated by British interference in search of trade and dominion. Ola Rotimi's historical drama portrays with power and sensitivity the confrontation between the Benin Empire and Great Britain. The trial of the Benin warlords, and the ultimate exile of the god-king himself, Ovonramwen Nognaisi.

"An introduction to engineering mechanics that offers carefully balanced, authoritative coverage of statics. The authors use a Strategy-Solution-Discussion method for problem solving that explains how to approach problems, solve them, and critically judge the results. The book stresses the importance of visual analysis, especially the use of free-body diagrams. Incisive applications place engineering mechanics in the context of practice with examples from many fields of engineering." (Midwest).

A guide to computer security discusses how the "blackhat community" uses the Internet for destructive purposes and provides information on how to learn from a "blackhat" attack to protect computer networks.
