Nana by Édouard Manet—Facts & History of the Painting

Nana (ナナ) is a Japanese manga series written and illustrated by Ai Yazawa. It was serialized in *Cookie* magazine from July 2000 until June 2009 when it went on indefinite hiatus, with almost all its chapters collected into 21 tankōbon volumes published by Shueisha.

French realism's immortal siren crawled from the gutter to the heights of society, devouring men and squandering fortunes along the way. Zola's 1880s classic is among the first modern novels.

Born to drunken parents in the slums of Paris, Nana lives in squalor until she is discovered at the Théâtre des Variétés. She soon rises from the streets to set the city alight as the most famous high-class prostitute of her day. Rich men, Comtes and Marquises fall at her feet, great ladies try to emulate her appearance, lovers even kill themselves for her. Nana's hedonistic appetite for luxury and decadent pleasures knows no bounds - until, eventually, it consumes her. Nana provoked outrage on its publication in 1880, with its heroine damned as 'the most crude and bestial sort of whore', yes the language of the novel makes Nana almost a mythical figure: a destructive force preying on a corrupt society.

Two-time Caldecott Honor author/illustrator Lane Smith tells a whimsical story about a little rabbit searching for the best gift for someone very special. A thoughtful little Rabbit sets out to find the perfect gift for his Nana. He knows she will love anything he brings her but Rabbit wants this gift to be extra special. As he travels on his quest, Rabbit encounters an assortment of creatures—a crow, a smiling full moon, a stickler (whatever that is), a big fish, and a volcano. Each is certain they offer the best advice but nothing they suggest seems right for his Nana. It's not until Rabbit reaches the highest peak, that he finds exactly what he's been searching for. The award-winning illustrator of bestsellers including *Penguin Problems* and *Giraffe Problems*, brings originality and gentle humor to a story that parents and grandparents will be sharing with their children for years to come.
