Secrets To Happiness Sarah Dunn

Sarah Dunn is a truly talented writer. Her writing is witty, lively, and flows beautifully. However, for me, Secrets to Happiness wasn't the book to showcase that talent. In fairness, let me start off by saying that I am probably outside of the target demographic of this book.

## Secrets to Happiness : Sarah Dunn : 9780316013604

Deftly mixing humor and pathos, Sarah Dunn's *Secrets to Happiness* delivers an entertaining story of professional women living the city life. It has been likened to a hybrid of Candace Bushnell, Edith Wharton, and Jane Austen, and Kirkus Reviews calls it a "smart chick-lit tale with dark undertones."

Holly Frick just went through the worst kind of divorce: the one where you're still in love with the person divorcing you. Facing up to life on her own, she needs a distraction to keep her mind off her own non-existent love life. Like Jane Austen's *Emma Woodhouse*, Holly is intimately involved in the lives of

those closest to her, and now she feels compelled to give advice with unwavering moral certainty. And, like Emma, she is often completely off the mark. Soon she's in over her head, advising her ex-boyfriend's new girlfriend while at the same time falling for her married friend's new lover. Until, happiness arrives from a very unexpected source . . . With a contemporary twist on Woody Allen's *Manhattan*, *Secrets to Happiness* is a hilarious look at the things people will do to be happy.

Holly Frick has just endured the worst kind of breakup: the kind where you're still in love with the person leaving you. While her wounds are still dangerously close to the surface, her happily married best friend confesses over a bottle of wine that she is this close to having an affair. And another woman comes to Holly for advice about her love life--with Holly's ex! Holly decides that if everyone around her can take pleasure wherever they find it, so will she. As any self-respecting 30ish New York woman would do, she brings two males into her life: a flawed but endearing dog, and a good natured, much younger lover. She's soon entangled in a web of emails, chance meetings, and misguided good intentions and must forge an entirely new path to Nirvana. From the author of *The Big Love*, *Secrets to Happiness* is a big-hearted, knife-sharp, and hilariously entertaining story about the perils of love and friendship, sex and betrayal--and a thoroughly modern take on our struggle to be happy.

Hilarious and heartbreaking, combining the emotional incisiveness of Jane Austen with the up-to-the-minute frankness of "Sex and the City," Dunn's latest work will be the passing must-read novel of the summer.

The '90's answer to *The Preppie Handbook* is a satiric, humorous and comprehensive critique, written by the ultimate slacker, that reveals rules, guidelines and recommendations for being a state-of-the-art slacker. The book features a hip MTV-like format with fast-cut sidebars, cartoons, photos, lists, quizzes and charts.

**\*National Bestseller\*** A hilarious and emotionally charged novel about a couple who embark on an open marriage--what could possibly go wrong? Lucy and Owen, ambitious, thoroughly-therapized New Yorkers, have taken the plunge, trading in their crazy life in a cramped apartment for Beekman, a bucolic Hudson Valley exurb. They've got a two hundred year-old house, an autistic son obsessed with the Titanic, and 17 chickens, at last count. It's the kind of paradise where stay-at-home moms team up to cook the school's "hot lunch," dads grill grass-fed burgers, and, as Lucy observes, "chopping kale has become a certain kind of American housewife's version of chopping wood." When friends at a wine-soaked dinner party reveal they've made their marriage open, sensible Lucy balks. There's a part of her, though--the part that worries she's become too comfortable being invisible--that's intrigued. Why not try a short marital experiment? Six months, clear ground rules, zero questions asked. When an affair with a man in the city begins to seem more enticing than the happily-ever-after she's known for the past nine years, Lucy must decide what truly makes her happy--"real life," or the "experiment?"

The *Potty Training Answer Book* breaks down the top 200 questions parents ask when faced with the potty-training challenge. Compiled through both her own experiences and Q&A sessions with parents, parenting expert Karen Deerwester covers the difficult—and funny—questions you'll encounter with detailed advice and information. Real-world answers to all your potty-training questions: What is the average age for girls to be potty trained? What is the average age for boys to be potty trained? Does a child's temperament affect the chances of potty training accidents? What words should I use for body parts and bodily functions? Is nighttime potty training different than daytime potty training? Can rewards be a positive potty strategy? Written in an easy-to-read question-and-answer format, *The Potty Training Answer Book* gives you indispensable tips and techniques to help you keep the potty-training process as easy and painless as possible for both you and your child.

## Read PDF Secrets To Happiness Sarah Dunn

When Hannah Legare was 11, her father went on a fishing trip in the Charleston harbor and never came back. And while most of the town and her family accepted Buzz's disappearance, Hannah remained steadfastly convinced of his imminent return. Twenty years later Hannah's new life in San Francisco is unraveling. Her marriage is on the rocks, her business is bankrupt. After a disastrous attempt to win back her husband, she ends up back at her mother's home to "rest up", where she is once again sucked into the mystery of her missing father. Suspecting that those closest are keeping secrets -- including Palmer, her emotionally closed, well-mannered brother and Warren, the beautiful boyfriend she left behind -- Hannah sets out on an uproarious, dangerous quest that will test the whole family's concepts of loyalty and faith.

Holly Frick just went through the worst kind of divorce: the one where you're still in love with the person divorcing you. Facing up to life on her own, she needs a distraction to keep her mind off her own non-existent love life. Like Jane Austen's Emma Woodhouse, Holly is intimately involved in the lives of those closest to her, and now she feels compelled to give advice with unwavering moral certainty. And, like Emma, she is often completely off the mark. Soon she's in over her head, advising her ex-boyfriend's new girlfriend while at the same time falling for her married friend's new lover.
