A woman wanting sex from her husband is shown on screen standing before him completely nude from the front. (Topless partial nudity only as any genitalia is covered by a very thick pubic)

Offers parents of special needs children information on how best to advocate for their child.

A roadmap to a common—but complicated—disorder. Is there a cure for ADHD? What symptoms should you be looking for? Could your child be misdiagnosed? When your child is diagnosed with ADHD, you want to do all you can to get the help you need to support your child. Unfortunately, the vast amount of information on ADHD can be overwhelming and leave you feeling frustrated, stressed, and powerless to help. But with the professional, accessible advice presented here, you can get the one-stop support you need to: Obtain and understand a diagnosis Find the right treatment Discipline your child effectively Get your child to focus at home and school Stay positive, and encourage your child This guide provides an all-encompassing look at ADHD so that you can feel confident about taking the necessary steps to create a better future for your child.

Presents tips and advice for raising boys from infancy to their teenage years, and provides information on such issues as self-image, behavior training, friendships and sexuality, and academic success.

Put your child on the path to success! A child's emotional intelligence has been shown to be one of the strongest factors in whether or not that child will be successful later in life. A child with high emotional intelligence (EQ) has good self-control, resilience, and empathy—all factors that help build a foundation for a more grounded, satisfying, and successful life. With The Everything Parent's Guide to Emotional Intelligence in Children, you will learn how to help your child: Improve academic achievement and behavior. Achieve mindfulness. Understand emotions. Empathize with others. Improve self-confidence. Build inner resilience. This hands-on guide shows you exactly how to promote core EQ skills in your child and provides you with all you need to help your children achieve their greatest potential.

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Raising a gifted child is both a joy and a challenge. Gifted and exoptional children can seem self-sufficient, but it takes more than intelligence to lead a happy and fulfilling life. Your child need your support and advocacy in school, in social situations, and even at home. This guide shows you how to encourage and foster your gifted child from birth to adolescence, including information on How to determine if your child is gifted Options for school programs and activities Dealing with perfectionism and stress Setting realistic and healthy goals for your child Ensuring proper socialization and friendship Coping with jealousy and bullying from other children Packed with useful and professional advice, this is a reassuring guide to help your gifted child grow, thrive, and develop his talents.

The vital skills children need to achieve their full potential! Being organized. Staying focused. Controlling impulses and emotions. These are some of the basic executive functioning (EF) skills children need to function and succeed as they grow. But what can you do if your child is struggling with one or all of these skills? With this hands-on guide, you'll learn what EF difficulties look like and how you can help your child overcome these challenges. Psychologist Rebecca Branstetter teaches you how to help improve the executive functions, including: Task initiation Response inhibition Focus Time management Working memory Flexibility Self-regulation Completing tasks Organization With checklists to help enforce skills and improve organization, The Everything Parent's Guide to Children with Executive Functioning Disorder is your step-by-step handbook for helping your child concentrate, learn, and thrive!

Written by a recognized M.D. with his own pediatric office, The Everything Parent's Guide to Childhood Illnesses debunks the myths and offers you a trusted reference for recognizing and troubleshooting common childhood illnesses. With this book, you will feel confident that you can handle common ailments and gauge the seriousness of your child's condition. This helpful guide covers newborns to adolescents, offering detailed information and helpful tips on: \*Diaper rashes and skin problems \*Antibiotics and vaccines \*When to worry about a fever \*Cold remedies for infants \*Bedwetting Dr. Young gives you the straight facts, helping you avoid costly doctor visits and worrisome, sleepless nights. The Everything Parent's Guide to Childhood Illnesses will help you sleep better at night, knowing you have the tools and know—how to raise a happy, healthy child.

The Everything Parent's Guide to Positive Discipline gives you all you need to help you cope with behavior issues, both large and small. Written by noted psychologist Dr. Carl E. Pickhardt, this authoritative, practical book provides you with professional advice on dealing with everything from getting your kids to do their homework to teaching them to respect their elders. The Everything Parent's Guide to Positive Discipline shows you how to: - Set priorities. - Promote communication; - Establish the connection between choice and consequences; - Enforce punishment; - Change discipline style to reflect the age of the child; - Work with your partner as a team. The Everything Parent's Guide to Positive Discipline is guaranteed to help you keep the peace, and raise a well-behaved child in any home!

If your child has been diagnosed with sensory processing disorder (SPD), you understand how simple, everyday tasks can become a struggle. With this guide you can help your child learn how to reduce stress and minimize the symptoms of SPD.
