After all, by the early 1990's it was the same Congress party that had ushered in neo-liberal policies that lean heavily in favour of the urban elite and international capital flows. That these policies were to have an effect of worsening the fate of India's poor was already well established by 1997.

Panipat: The Great Betrayal " , out in Indian cinemas since December 2019, is just the latest in a string of recent Bollywood movies that feature Afghans in the role of arch-villains, in this case Ahmad Shah Durrani, often described as the founder of the modern Afghan state. The historical revisionism and stereotyping of Afghans seen in the film have sparked protests by Afghan diplomats and public alike.

The Battle of Plassey was a decisive victory of the British East India Company over a much larger force of the Nawab of Bengal and his French allies on 23 June 1757, under the leadership of Robert Clive.The battle helped the Company seize control of Bengal Over the next hundred years, they seized control of most of the entire Indian subcontinent, Myanmar, and Afghanistan.

Battle of Plassey - Wikipedia

But what is really important is that the height of betrayal in modern India today will always be connected with Ajatashatru and his evil deeds. Given the insatiable appetite for all-things ancient Egypt and Mesopotamia, it is somewhat of a surprise that so little is known or shared about a mysterious civilization that emerged in the Indus Valley at least 5,000 years ago in what is now Pakistan ...
