~~With Forever Jennifer~~

“Forever was something we all took for granted, but the problem with forever was that it really didn't exist.” I picked *The Problem with Forever* with quite an expectations. Jennifer L. Armentrout was one of my fav authors. I've read almost every book of her. But yet this book was .. just not for me.

RITA Award for a Young Adult Romance.

~~The Problem with Forever Summary | SuperSummary~~
Review of "The Problem with Forever" by Jennifer L. Armentrout. Posted on 02/22/2017 by rhapsodyinbooks. This book for young adults begins with Mallory and Rider growing up in the same foster home in the Baltimore area with two very abusive parents. Rider, while only six months older than Mallory, always acted as her protector: hiding her, advising her not to make a sound, and taking the blows that otherwise might have landed on Mallory.

~~The Problem with Forever by Jennifer L. Armentrout ...~~

Jennifer L. Armentrout tackles big issues with a moving story about friendship, love, courage and overcoming the kind of past that scars beneath the surface. With *The Problem With Forever*, she's taken her singular style of storytelling to places she's not yet explored while still delivering a sizzling romance with off-the-charts chemistry. Tender moments

~~Review — The Problem With Forever by Jennifer L. Armentrout~~

The Problem with Forever is a YA contemporary about self discovery with romance. Others would probably disagree with the order in which I labeled it. It is from the POV of Mallory “Mouse” Dodge. I would put this as young as 12-13 years old because it is very tame romantically but does bring up abuse and death.

~~The Problem with Forever by Jennifer L. Armentrout ...~~

The problem with forever is my favourite book. It talks about a girl called Mallory and a guy called Rider they all have problems to face. But will they face it or run away with it. 4.5? This book is different from the other stuff that JLA writes, but it's still her writing so of course I'm gonna like it.
