Il libro (uno dei primi) di Debbie Brown, una veterana del Cake Design, è molto bello ci sono parecchie idee per realizzare torte per bambini. Il problema è che non ci sono delle grandi spiegazioni magari qualche foto delle parti da assemblare, circa due facciate per torta (una sola per la torta finita).

I have several other Debbie Brown books and have

made many of the cakes which have usually been chosen by the children themselves. This one is excellent. The cake style options are great, the characters wonderful, especially the two peas in a pod and the ideas given for the smaller option.
