'Dominatrix' (Volume 1), is an exploration into the largely hidden world of the sadomasochistic female, along with Volume 2, it offers the definitive and most broad-ranging international study of the subject ever undertaken. Conducted over a 10-year period, by the BDSM magazine publisher and writer, Roy Turner, these eBooks offer a full, frank and totally unique insight into the real world of the dominatrix, those who work within the 'sex industry', as well as those who live out the 'Fem/Dom' lifestyle in private. Mistress Antoinette reveals her Spanish clients were into 'religious' punishments whereas in England the number of men here who have a 'knicker' fetish continually amazes her. Interestingly enough, black knickers seem to be the big turn-on with men in England, whereas in Catholic Spain it is nearly always virginal white knickers that perhaps unsurprisingly, are the most popular. And, Mistress Brigitte of the Dutch SM-Studio Phoenix, who form a very happy extended S&M 'family' comprising of a married Mistress and Master together with their male and female slaves who live, work and play together. And even do the baby-sitting and the school-run! For the dedicated fetishist, no trip to the German city of Munich would be complete without a stopover at the studio of Lady Claudette; otherwise rather aptly named 'Bizarradise'. The true connoisseur of outrageous eroticism will find everything on offer and even the more unusual tastes happily accommodated in this liberal, or rather less conservative, oasis of traditionally ultra right-wing Bavaria. The no-nonsense, business like approach of Mistress Jacqueline, is typical of American dominants. Her autobiography, 'Whips and Kisses', as well as her many TV appearances, mail order company and lecture tours Jacqueline has established herself as quite a formidable force on the American fetish scene. Tokyo born Mistress Midori is the daughter of a Japanese mother and German-American father. Both her parents are university professors. Following a varied and successful career in the United States Army and in commerce, see how she found herself a professional dominatrix in San Francisco. As her name suggests, Miss Spiteful's interests definitely lean toward the hard-core end of the SM spectrum, including the nailing of foreskins to tables and the burning of swastika's into flesh with cigarettes. She is also a leading practitioner of the intricate art of Japanese rope bondage. Despite her predilections for the more extreme forms of game-playing, she strictly adheres to the limits of safety and consensuality, practicing her dungeon crafts in South London. Plus, many other revealing interviews with professional and lifestyle mistresses including the Chinese Dominatrix, Mai-Ling. Mistresses: Adelle, Andria, Christine Deering, Cassandra Payne, Dominique, Eva, Hades, Rowena, Xena. Goddesses, Venus and Dianna Vesta, plus Lady Amber and Madam Karra.
Publisher's Note: This eBook contains explicit sexual content, graphic language, and situations that some readers may find objectionable. It is intended for an adult audience.

In Candid Conversations with Broadway Pros, Producer Ken Davenport sits down to talk with professionals from the theater industry to get their perspective on the Great White Way.

Welcome to Candid Conversations with Connie, Volume 2! And these conversations are going to be very candid. In this book we're only taking questions from girls! Yep, they can ask whatever they want, and I will answer from my vast knowledge and experience. (Well . . . maybe not vast.) If I don't know the answer, I'll ask my friend Penny. We've been where you are, and we know what it's like. You're not a little girl anymore, but you're still years off from adulthood. You still like to play, but you also enjoy having long conversations with friends. You sometimes want to cuddle on your mom's lap, and other times you wish she would just leave you alone. All that's pretty normal, and you'll see that from the questions we're answering.

Lights, camera, action! Connie Kendall is at it again in this third volume in her advice series, doling out her sage-yet-witty wisdom to girls everywhere. Straight from her radio show aptly titled Candid Conversations with Connie, Connie helps girls explore their true beauty, the good and bad of media and technology, and more through unique activities. Known for making a great Whit's End Wod-Fam-Choc-Sod and never being afraid to tell you what she's thinking, Connie shares with girls her growing-up experiences in a fun, honest way!

Publisher Description

Volume 2 of Searching For My Identity is a chronological autobiography of an outlaw biker that covers his life from prominent leader of a notorious international motorcycle club in January 2001 to his redemption in December 2020. Intended for the general public and those in the academic community that find the outlaw biker aspects of anthropology, criminology, sociology, psychology, ethnography, deviant behavior, criminal justice, pop culture and humanities interesting, this is an extremely unique opportunity to learn about the lifestyle. Due to the growing recognition of motorcycle clubs and outlaw bikers in pop culture, interest in the topic has recently exploded worldwide creating an insatiable demand for information on the secretive subculture that most people find intriguing, but most people are oblivious to the truth!the majority of the world's motorcycle club members are legitimate hardworking men that rarely cause anyone problems. Contrary to the meth-addicted violence prone image regularly portrayed by the media, most of today's outlaw bikers are productive contributing members of society that love motorcycles and the lifestyle, and the only thing they're guilty of is having too much fun on the weekends. Wondering if the primary cause of his psychologically skewed mind was the result of inherited behavior or learned behavior, Winterhalder recalls his life as a founding member of the Oklahoma Bandidos; the assimilation of the Rock Machine in Canada; the Quebec Biker War; his unsuccessful deportation; and the murders, assassinations, betrayal and drug use that contributed to his disillusionment and eventual departure from the Bandidos nation. Although the book includes some of the storyline found in Out In Bad Standings and The Assimilation, the narrative incorporated from those titles has been updated, revised and rewritten in a more professional manner, and features an additional fifty-thousand words about the author's life never published. Before reading Searching For My Identity (Volume 2): The Chronological Evolution Of An Outlaw Biker On The Road To Redemption, the publisher recommends a comprehensive review of Searching For My Identity (Volume 1): The Chronological Evolution Of A Troubled Adolescent To Outlaw Biker.
