Financial reporting is becoming more onerous and complex, particularly for listed companies. Accounting scandals have led to a greater regulatory focus on the role of audit committees and non-executive directors, and risk management and internal control put the finance director under new and more stringent pressures. Tolley's Finance Director's Handbook is a comprehensive guide to the huge range of duties that the modern finance director now undertakes. Tolley's Finance Director's Handbook 3rd edition provides extensive coverage of financial operations. Detailed sections are devoted to audit, cashflow management, corporate transactions, financial reporting, management accounting, taxation and risk management.
